Come and accompany us to build the future together.

We are looking for our new:

SENIOR FINANCIAL CONTROLLER

for our site located in Aricestii Rahtivani, Romania. This position will report directly to the CFO and on dotted line to Romania Site Director.

WHAT WE CAN ACCOMPLISH TOGETHER:

Taking charge of the financial and management follow up of the company's industrial activities, playing an active role in monthly reporting and the distribution of the main dashboard used to analyse results and variations.

Main responsibilities are following all aspects of financial management, regulatory and financial reporting, budget and forecast preparation, as well as development of internal control policies and procedures.

WHO ARE YOU?

We are looking for an experienced Financial Controller, with proven working experience in multinational environments, 5+ years of overall combined accounting and finance projects. Good knowledge accounting principles & procedures, experience with IFRSs and good knowledge of SAP with strong competency in Excel and fluency in English are mandatory.

Also, it is important to be well organized, with excellent time management skills, strong verbal & written communication skills.

If you are able to define your leadership style by leading yourself, leading others, leading results and leading the change – then you are the right person for us!
